

A Pirate I Would Be

If I could be somebody else
Someone that's not me
I would sail the seven seas
A pirate I would be
I've got me skull – point to your head
Me crossbones, too – make an X with your arms
I'll show you me hook – curl the fingers on one hand
And me pegleg, too – stomp a foot twice
If I could be somebody else
A pirate I would be

Yo Ho Yo Ho
Yo Ho Yo Ho

I'd have a parrot as a pet
He'd be my pirate bird
Oh, I would talk like pirates do
With words that are absurd
Ya scurvy dog - repeat
Walk the plank - repeat
Ya scallywag - repeat
Arrrrrrrrr - repeat
If I could be somebody else
A pirate I would be

Yo Ho Yo Ho
Yo Ho Yo Ho

Digging holes is such hard work
I'd need a pirate nap
Then I'd bury all my gold
And make a treasure map
Two steps left – take two side-steps left
Two steps right - take two side-steps right
Three steps forward - take three steps forward
X marks the spot – make an X with your arms
If I could be somebody else
A pirate I would be

Yo Ho Yo Ho

Yo Ho Yo Ho

Alright me hearty's. Let's play a Pirate game.

If I could be somebody else

Someone that's not me

I would sail the seven seas

A Pirate I would be

I've got me skull

Me crossbones, too

And me pegleg, too

If I could be somebody else

A Pirate I would be

Welcome to my crew ya scurvy dogs
