

Stephen Fite Crew

Yeah. It's time for school
Come on crew
Let's show 'em what we do

Hey there, it's learnin' time *(point to your wristwatch)*
Stand up, let's sing a rhyme *(point to your mouth)*
And you can join us too *(point to someone and then hold up 2 fingers)*
Be a part of the Stephen Fite Crew *(pump your fist on the word Crew)*
Hey there, it's learnin' time
Stand up, let's sing a rhyme
Come on and join us too *(motion someone towards you and then hold up 2 fingers)*
It's how we roll, we're the Stephen Fite Crew *(Roll hands then pump fist)*

Put your hands up, leave them there *(hands in the air but still)*
Shake 'em fast in the air *(shake them)*
Clap to the beat above your hair *(clap above your head)*
Now freeze *(freeze however you are)*

Hey there, it's learnin' time
Stand up, let's sing a rhyme
Come on and join us too
Be a part of the Stephen Fite Crew

Put your hands on your neighbor's knees *(hands on friends knees to the right & left)*
Pat them soft if you please *(pat their knees softly)*
Tap to the beat, that's the key *(keep patting)*
Hold hands, lift them up, lift them up *(join hands with and lift them up together)*
Now release, FIREWORKS! *(let go of hands, clap your hands above your head and separate)*

Don't you know our crew is cool *(point to your head and then give a thumbs up)*
Yeah, we're famous now throughout the school *(make X with your arms & spread them out)*
